DISCUSSION QUESTIONS

- If you are in a season of auditing your faith, have you been selective in the voices you are allowing to speak into your life?
- The examination of your faith can be healthy, but our intellect and feelings still need to be in a posture of submission to God's Word. As you have been auditing your faith, who or what has been your ultimate authority?
- Have you taken the time to ask the Holy Spirit to clearly guide you through this season of questioning? Jesus said that the "Holy Spirit would lead us into all truth." (John 16:13) Are you surrendered to wherever the Holy Spirit leads you?
